## Application as Member

We believe that everyone who has received Jesus Christ as their Saviour and Lord becomes a member of the Church universal. However, we also believe that a Christian needs to be identified with, and committed to, a particular group of believers that meet as a local church. We believe this to be the teaching of the New Testament. In order to have a local Church which is to be a place of worship, ministry, encouragement and accountability, Woodside Bible Fellowship recognizes the need for members.

All individuals who have personally trusted Jesus Christ as their Saviour and Lord, and who are living a consistent Christian life, may become Members.
